# Mrs. Clark

## 1st and 2nd Grade

Wow we have had a few very busy weeks. We went on a field trip that explored our town of Oroville. We learned a lot of interesting facts about the river and visited the Chinese Temple. The Temple was such an educational experience for all of us. A special thank you to Mrs. Floyd for helping us on the trip.

Spring Fest is over and what a great turn out. A huge thank you to all that came and worked their shifts and gave an extra hand. A very special thank you to one of our parents. Mr. and Mrs. Top were chair of the event and did a wonderful job. I know how much time and hard work you put into it, thank you!

On May 7 we had crowning of Mary. The second graders who received their first communion, came on the seventh in their communion outfits for mass. They looked beautiful, as they delivered flowers to Mary. Thank you to the sev-

enth and eighth graders for organizing that mass.

Now we are on to open house. Open house will be on Wednesday. We will be performing for all the parents. The art show will also be the same night. Please come, watch your children perform, look at their art and then come look around their rooms. You can also check out the room that they will be going into next year!

This week is a short week with no school on Friday and a mini-day on Tuesday. We will be having our spelling test on Thursday. The children have been giving great facts reports on Thursday, I look forward to this each week. Please make sure that your student is researching a different category each week.

Have a great week and see you Wednesday night.
